From the Carolyn McCray, the #1 author in Action/Adventure, Men's Adventure and Techno-Thrillers comes the post-apocalyptic blockbuster, Neo-Jurassic. This time there aren't any fences between us and the dinosaurs.

Warning this book has intense action in the style of the Hunger Games. Please do not buy this novel unless you are prepared for a roller coaster ride through our future.

Overview:

Five hundred years after we hit that not-so-mythical Tipping Point, the world plunged into a nuclear winter that counterbalanced global warming. A perfect climate for dinosaurs. However T. Rexs aren't the only threat. Syns (synthetic humans/robots) are still bent on destroying mankind and the occasional freak tornado are a constant threat for our heroes who are trying to find New Avalon.

If you enjoyed Mad Max, Hunger Games, or Divergent you are going to love Neo-Jurassic!
